Launching

Forth

"FOREWORD"

WE FORTIFIED OUR SOULS FOR THE VOYAGE

Before embarking on our arduous voyage of discovery, we sought all the information possible about our destination and the dangers to be encountered on the way. All the sciences and the variety of our studies outfitted us for the struggle to come; especially did the serious instruction in religious truths develop our characters and give us added strength to resist the alluring pleasures that would waylay us on our hazardous journey.

As we unfurled the sails and hoisted anchor, we found life on board a ceaseless round of activity. As we learned the ship's routine, the breeze bore us along; work there was aplenty; and, combining daily tasks with hours of grateful relaxation, our search for the priceless treasure was shortened.

Hidden from worldly view but patiently awaiting discovery, lies the great treasure of KNOWLEDGE, yielding, if found by eager searchers, the rich reward of true spiritual and material happiness. For this reason, we, youthful mariners, boarded the GOOD SHIP S.S. WEST, united in our firm resolve to unearth our cherished prize within...

The Gem Of The Ocean

OUR DEDICATION TO MR. NEWTON C. MORRIS

A TRIBUTE TO

Youth came to his door;
He bade them enter.
There they found inspiration
To guide them safely
Beyond the hidden reef
To put them on their course.

A Good Friend

Athletes came to his door;
He bade them enter.
There they found purpose
With which to enter
Perilous contests along the way
And strength to emerge victoriously.

Scholars came to his door
He bade them enter
There they found wisdom
To meet the controversies
Confronting them on future voyages
And that, for a time, might
Cause them to run aground,
Thwarting all further effort.

THIS WAS THEIR TRUST!

TO YOUTH he gladly gave a life of service in vindication
of their faith in him.

TO YOU, beloved "Tub" Morris, our GEM OF THE OCEAN,
we are wishing a cargo of happiness, and success
throughout your active retirement.

TO US, you will always live as a symbol of the "SPIRIT OF
WEST THAT KNOWS NO BETTER."

IN
MEMORIAM

With
MRS.
WILLIA
STEPHENS
GIRAULT

Drifting out on a calm sea, yet not quite out of sight, Mrs. Willia Stephens Girault dropped the anchor of her small craft in a peaceful harbor on October 3, 1951, not far from shore.

Mrs. Girault was a navigator on the GOOD SHIP S.S. WEST, for twenty-three years. Because of her stay at West, she has made the stay of many of the crew much more pleasant and profitable. When waters all around her were raging and storming, Mrs. Girault was a calm navigator at the helm of her ship; and because of her serenity, she was looked up to as an admirable teacher and a friendly counselor. Mrs. Girault, visiting in Jackson, Mississippi, about twenty years

ago, was haunted by the beauty of a Christmas tree, adorned with the faces of an A Cappella Choir, which had a prominent place on the campus of a nearby college. In the mind of Willia Girault was born the "Singing Christmas Tree" that we know now as an outstanding feature at West.

The deathless beauty of her dream—the dream of a lasting token of Christmas here at West—lives within the hearts of all who have ever seen the "Singing Christmas Tree." This tree will always remain as a memorable tradition as we continue our cruise—DRIFTING AND DREAMING with you, Willia Girault . . . forever and always.

Smooth Sailing ALUMNI AWARDS

The alumni of West High School have the distinction of belonging to the largest high school alumni association west of the Mississippi.

The first class graduated from West High in 1884 and held a class reunion in 1886. From this simple beginning the present alumni association was formed. Since that time it has constantly grown in size, since each member of the graduating class is automatically a member.

Each year the West High alumni hold a reunion, when they elect the officers who will serve for the next year and present awards to the outstanding members of that graduating class.

The Alumni Association proudly welcomes the CLASS OF '52, and takes pleasure in presenting awards to the seniors on this page.

SENIOR PERSONALITIES

On our cruise around the globe, we have discovered that every country has a personality of its own, completely different from that of any other country. One country may be known especially for its gaiety, another for charm, its music, or for its simplicity.

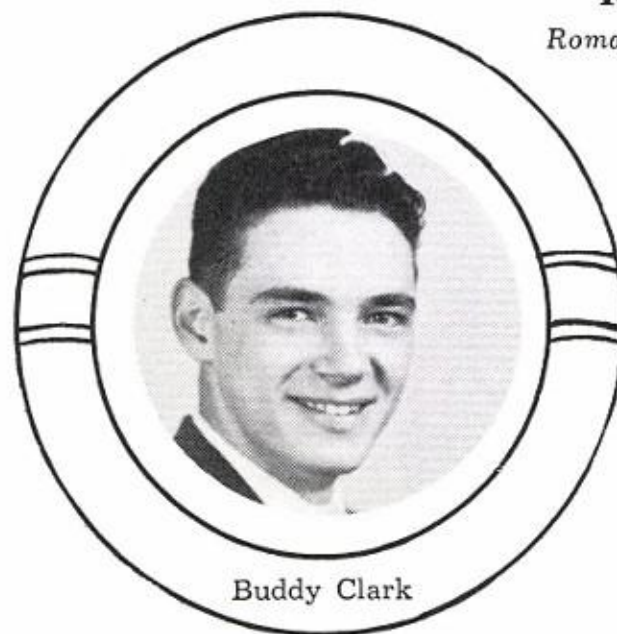

On our cruise aboard the GOOD SHIP S.S. WEST, we have found, among our shipmates, personalities just as varied as those of countries. Personality is characteristic of only one person, and is an individual identification.

On our voyage, we have compared the personalities of our shipmates with those of the many lands of the world.

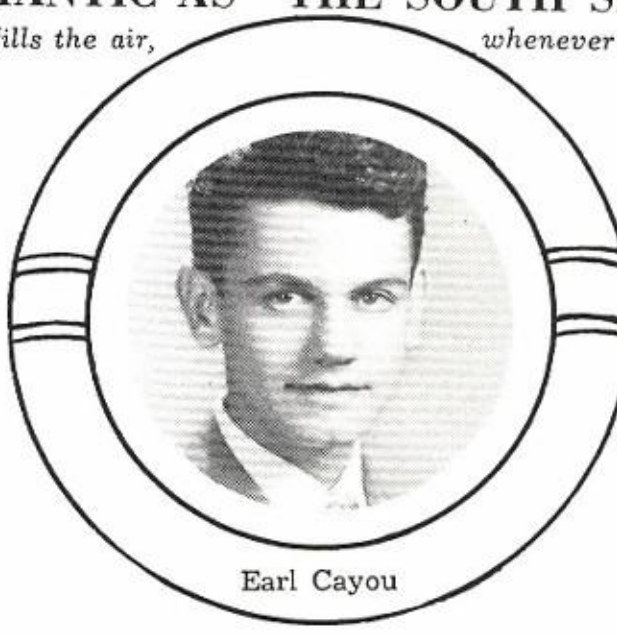

We hope that you will enjoy AMUSIN' CRUISIN'

Sports Splashes of 1951-52

BASEBALL 1951

Although West ended its 1951 Baseball season in a tie for third with Manual, it was one of the most successful seasons the Cowboys have experienced. East took City Championship, with a 7-1 record, while North was second with a won five, lost three count. Manual lost its eight league games.

West was the only school able to stop the East Angels, and only lost having a tie for second with North by dropping a 3-2 contest to South.

Pitcher Les Bannon turned in a very successful season and was voted most valuable player. Bob Mantooth, first baseman, and Bernie Naiman, third baseman, were chosen Co-Captains.

Bernie Naiman was also chosen All-City third base along with outfielders Marvin Vette and Lou Spezze.

Other outstanding players of the year were: Catcher, Steve Guzman; Outfield, Mort Roth, Shortstop, Gil Mayoral; and Pitchers, Jerry Mrazek and Reynolds Ramirez.

TRACK 1951

South captured both the 1951 City and State and field championships for its fourth consecutive year. The Rebels rolled up 61½ points to out-distance favored East's 49½. West tallied 6 points in the meet with Dean Girardot and Bob Haynes gaining them for the Cowpokes. Keith Thornburg, one of the best pole vaulters in the city, was forced out of competition with a badly sprained ankle after going ten feet in the City meet. Flavil Romans, Cliff Ford, Joe Easton and Curtis Willson also qualified for the City meet.

In the State meet Dean Girardot, Captain of the team, took second in the 880 while Bob Haynes captured fourth in the mile run.

GOLF

East, South, North, and West was the order that the Golf teams finished their 1951 season. Manual was not entered in the golf competition this year, so only three matches were held, of which West lost all of theirs. No one was on the All-City team. Ronnie Akes and Harry Martin were the Co-Captains of the squad out of which nine boys lettered.

TENNIS

The West High Tennis team wound up in fifth position after losing to East, Manual, North, and South at the net courts. Chuck Elder and Bill Ray were the Co-Captains of the squad, and Walter Boyd, Kenny Dingwell, Pat Hagin, Vern Haviland, Jim Manuel, and Mort Roth were the other lettermen. East took first in Tennis, while South, North, and Manual finished the season in order. None of the Cowboys made All-City.

VARSITY FOOTBALL

West High's varsity football team finished its 1951 season in a tie for third with Manual. They both won three and lost four after having the first game of the season called off. The Cowboys won one from South, 13-6, and two from North, 26-0 and 20-7. Other scores were: Manual 6 West 0, East 33 West 0, South 7 West 6, and Manual 18, West 13. West scored 78 points to its opponents 77 during the season. Stuart Boleman, tackle, and Punk Thomas, back, made first team All-City; while Dave Ellis, guard, and Les Bannon, back, made second team All-City on the Rocky Mountain News team. East again took first place with a 7-0 record while South came in second with a 3-3-1 total. North won 1, lost 6, and tied 1 to come in fourth. Stuart Boleman and Jerry Mrazek were chosen Co-Captains for West.

SOPHOMORE FOOTBALL

North High Sophomores claimed the championship for the season while West, East, and South finished in a tie for second. Manual came in third. The little cowpokes defeated the East Angels 8-0, but lost to Manual 6-0, South 13-0, and North 7-0. Dick Ellis was elected Captain of the team.

WRESTLING

95-pound David Torres, and 103-pound Roger Coupal each took a first in the City meet to make the 1951-1952 All-City Wrestling Squad.

During the meet, West also gathered in two seconds in the form of Al Rodriguez, 112 pounds, and James Hopkins, 154 pounds, and one third spot, 133-pound Leon Gay.

The Cowboys were fourth in the final City standings with 28 points behind North's 47, South's 43, and East's 35. Manual finished fifth with 23. Co-Captains of the team were David Torres and Al Rodriguez.

The five boys that finished either first, second, or third in the City, plus Frank Aboud, were West's representatives in the State Meet. David Torres captured a third place spot for West; he was the only Cowpoke that placed.

SWIMMING

East High captured the All-City swimming championship with 72 points against second place North's 57 points. South finished third with 28 points while West scored 9 points and Manual 4.

The Cowboys concentrated on team support rather than individual honors. West scored its points through the 120-yard medley relay team consisting of Luis Gomez, Jim Jackson, and Leon Long.

West entered eleven men in the Regional meet and again centered the team around the relay team. Boys that entered this meet were Gene Nix, Robert Berry, Allen Donnelly, Luis Gomez, Art Innes, Jim Roark, Herb Kincaid, Robert Skalla, Don Borden, and the Co-Captains of the squad, Jim Jackson and Leon Long.

VARSITY BASKETBALL

Varsity basketball drew to a close for the Denver Public High Schools with East triumphantly defending its City Championship title. Manual closed the season in second place, while North captured third. South came in fourth, and the West Cowboys were fifth.

The Angels went undefeated throughout the season, while Manual's only losses were the two to East. North won three and lost five, and South had a two-six count.

West, playing good individual ball, failed to function as a team, and finished the season with one lone victory over North, to seven set-backs.

Les Bannon, Herb Goldberg, Bob Haugen, Bill Ray, and Marvin Vette were the starting five for West, but there were other outstanding players on the team. Bill Ray and Marvin Vette were elected Co-Captains of the squad. Bob Haugen, made All-City.

SOPHOMORE BASKETBALL

The South High Sophomores captured first place in the final city standings with a season record of seven wins to one defeat. West rolled up a record of five wins to three set-backs to close out the season in second. East finished third with a four and four season, while Manual was fourth winning three and losing five. North was in the cellar with a two-six count.

West had a very successful year with Stan Albert, Reynolds Ramirez, and Mike Collins being outstanding players of the season, although the entire team played exceptional ball.

The team ended the season by choosing Reynolds Ramirez and Stan Albert as Co-Captains.

After-school sports offer four major activities to every girl at West each year; speedball, volleyball, softball, and basketball. Those who take part in any of these sports receive 100 points toward their awards. Individual sports tournaments are also sponsored in the department; table tennis, tennis, badminton, etc. Girls may earn ten points for each turn they remain in the tournament. Fifty points can be earned for taking part in minor sports for which West has no facilities—such as skiing, swimming, and horseback riding.

Happy Landings

CONCLUSION

With a strong pilot at the helm, the GOOD SHIP S. S. WEST has sailed through storm and calm for another year.

Here, within this OCEAN OF MEMORIES, lies the log—a record of victory and defeat, of joy and honor among the crew, the passengers, and the commanders.

We have made many new friends on this delightful excursion; on deck we have been vagabonds together, traveling along toward the same destination. May we long remember this voyage!

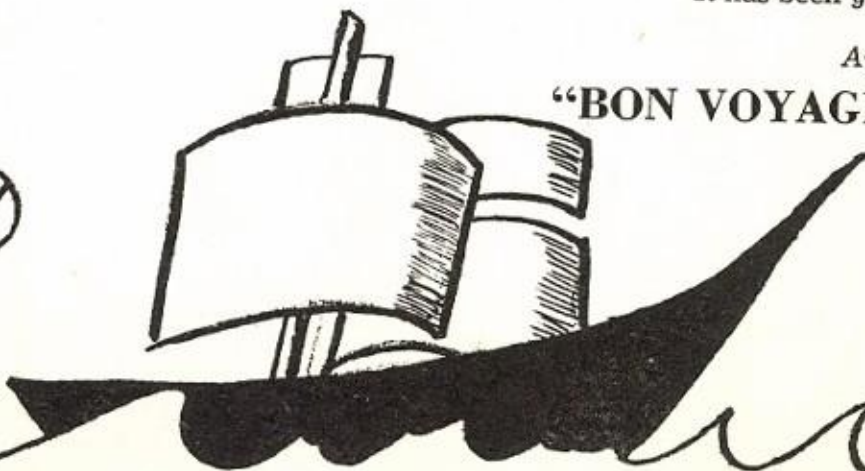

BEFORE US

Lies a challenge to the future—
May we continue to climb and complete our voyage.
We are happy to have had you with us.
It has been *your* cruise.

And now may we bid you
